Waterloo Grant Township Schools

Waterloo, Indiana

Dedication

We, the class of 1956 of Waterloo-Grant Township School dedicate this, THE ROSEBUD, to our parents and teachers, who have made it possible for our education. Thank you for your patience, guidance, loyalty, and co-operation in making our high school career a success.

Our Theme

Each year classes have racked their brains trying to think of a theme for their annual. This year, since it was our turn, we began by asking each other, "What is an annual?" An annual, we found, is more than a book; it is something to look back on, something to laugh at, and something to treasure.

Thinking of this, we began the search for a theme that would most nearly describe our feelings. We were quite lucky as there just happened to be a tune on the hit-parade that suited our needs perfectly. "Moments to Remember" was its title. This could represent the sentimental side of our annual, but an annual is not all sentiment, there are things to laugh at too. So we added our duck friend to help balance sentiment with humor.

For that finishing touch we purchased what we think is an attractive cover. On it you may see just a few of the activities we shall always carry in our memories.

With the cover and theme in mind we set forth to bring you this--our yearbook of '56.

Class History

September 6, 1944, was a big day for us wide-eyed six and seven year olds. For, you see, this was the day we began our climb to educational glory-our first day at school. Little did we know how very important these first days would be to us.

Before long we had advanced to junior high with 25 in our class. We were all intrigued by the vast upstairs and thrilled by the association with the high school classmen.

The years seemed slow, but soon 1952 came; and with it came 33 freshmen, 23 of whom had previously attended Waterloo. The other 10 came from the surrounding country schools. Our freshmen year was mostly a "get acquainted year." Mr. Claud Leslie was our class sponsor.

The next fall found us in the capable hands of Mr. Albert Berg, who diligently prodded us to success in our Christmas card sales. Another big event that year was our class sweaters. The halls were aglow with scarlet and white brilliance.

Junior year, Mr. L. C. Ford became our class sponsor and guided us through another successful year, this time in the concession stand. We received our class rings and also presented our first play, "Spooks and Spasms." Everyone agreed on a splendid performance.

Now we came to the senior year. We found Mr. Robert Dove behind us all the time. He was always eager to help and good at giving us a push in the right direction. Through his constant belief in us we were proud to net over \$600 in magazine sales, more than any other class had ever made.

We seniors also gave a play "Hillbilly Wedding." Our profits exceeded our goal, and thus we were proud. It was said that our hillbilly play was the best seen, heard, and liked for many years. For this we thank you, the public.

As seniors we have still many things to do. Soon our senior trip will be behind us, and we shall have our diplomas. Then we will have come to the final step in our high school learning. From then on it will be up to us as individuals. The world, in a sense, lies in our hands; we can make or break it. I am sure that if we apply our learnings from Waterloo, we shall not go wrong.

Class Poem

This is about the class
of '56, a wonder to all,
It has a remarkable record
for a class so small.

Gordon, our own Einstein,
is quite smart, we know.
In our class play he was
quite a "Romeo."

Alan is a mixed-up kid
and is liked by all.
In future years he's sure
to climb, not fall.

Janet B., a sweet, petite,
bright, and clever gal,
Is popular with all and
is a real, true pal.

Judy dreams of a kitchen
with table made of chrome.
With it she wants a husband,
children, and a home.

Bill is a mathematician,
who never fails to know
Of a shorter way to do it--
despite Mr. Ford's "No!"

Punk is tops in all sports
and is president of our class.
Whenever he isn't very busy,
he calls on a certain lass.

Pat, as a fellow classmate,
we all loudly hail.
For her there will never be
but one guy--Dale.

Byron, a bright scholar,
loves all the gals.
A studious student, he and
math are great pals.

Glenda, a good artist,
plans to do her part
In keeping the class's honor--
by use of her good art.

Alice, a good waitress,
loves her busy work.
When something needs doing,
she doesn't shirk.

Don, our sound effects man,
did his job very well.
As a classmate and friend,
he's considered swell.

Bob is one of the ten guys
on our basketball team;
And I'm sure you will agree
he's right on the beam.

Janet R. plans to wed soon
a guy named Jerry.
We wish them good luck
after they marry.

A fine nurse we may have
in Charlotte someday.
Unless that handsome sailor
leads her astray.

Carole cheers for our team
and also for Herbie.
In our class play she was
a perfect "Ceelie."

During classes sometimes Mark
receives a remindful tap
For using that precious time
to take his usual nap.

Herma is quite vivacious,
cute, and also smart.
A certain guy has already
stolen her heart.

Michael, known as "Windy"
to all his classmates,
likes a lot of things--
especially many dates.

Larry always seems happy;
we can't figure out why.
Whenever he isn't busy,
he's a happy-go-lucky guy.

Nancy is a friend of all
and is short and sweet.
For a guy named Jerry,
her heart will always beat.

Barbara, known as Bobbie,
is usually quite shy.
But watch out! She'll catch
some unsuspecting guy.

LaMarr is keen on girls--
one of them is Pat.
He never has much to say
except during a chat.

You have read all about
the class of '56 now.
After reading this, do you
wonder "why" or "how?"

The Class Prophecy

May 20, 1965

Hi Charlotte,

As Jerry and I were packing our treasured belongings, preparing to move into our newly built home, we ran across our old '56 annual. We had a lot of work to do, but I couldn't help but sit down and go over my high school memories and the fun we had together.

Did you see the picture of the captains of the Zollner Pistons and Rochester Royals basketball teams in the Waterloo Press? They were none other than our own Punk Drerup and Bill Dickerhoff.

I read in NEWSWEEK that the Army drafted Mike Sweet last month, and now the government and the Army officials are chasing him all over Europe because he went A.W.O.L.

One of the rescued passengers of the large ocean liner that was destroyed last week was Herma Stevens. She was better known as Madame Lola Damar, the famous millionaire.

By the way, Bob Robinson has recently won the title from Chales Atlas as the "World's Most Perfectly Developed Man." Despite his fame he is going ahead with his life-long ambition of selling hot dogs in Siberia.

Carole and Herb Leins now own an onion farm outside of Corunna. You can go by any sunny afternoon; and you will see Carole, Herb, and all the little Leinses weeding onions.

Nancy and Jerry Boman bought out Sinclair Oil Company yesterday. Nancy's occupation has changed from housewife to truck driver.

After graduation Byron Farrell and his dog Mike set out to complete Byron's life-long ambition of becoming a minister. Mike made it, but Byron didn't.

Janet Bower's picture is on all the latest movie magazines. You can see her playing with Abbott and Costello in their latest movie, THE THREE STOOGES.

I read in the newspaper last week that ESQUIRE hired a new cartoonist. It was Glenda Fitch, and she is using Peggy Myers as her model.

Deanna McBride, now Mrs. Cable, has gotten her college degree and is happily teaching English and French at W.H.S.

Alan Bowers is now living in an igloo with his Eskimo wife. They are raising penguins and have employed Alice Johnston to care for their penguins. It seems they will lose her soon, though, because she has fallen for a cute Eskimo.

Of course you remember Judy Daniels and Klyta Collins. They have gone into "darkest Africa" hunting the handsome hunk of man, Tarzan.

Mark Smith, the boy who was the crooner at Waterloo, was the star of "Hit Parade" and the idol of the bobby-soxers until he caught claustrophobia and cracked his voice.

In the local paper there was an article on LaMarr Wells, who is still wrecking cars. I suppose it is all right, though, since he now owns a combined car lot and junk yard and has to have something to run his business.

Dorothy Bricker is doing very well in the field of nursing. She is the Superintendent of Nurses at Richmond's Insane Asylum.

Our quiet little Pat Drerup is now married to Dale.

Barbara Werner is still the quiet and busy girl she always was. She is now employed at W.H.S. as chief cook and bottle washer.

Larry Walberry is still drilling oil wells in Texas and breaking all the ladies' hearts. He is still the most eligible bachelor in the United States.

Be sure to write and congratulate Gordon Bard since he has just become the new principal of W.H.S.

It is time to close for now. Be sure to tell your hubby and all the little ones "hi."

Love,
Janet Ordway

Mrs. Love, sponsor; Patty Piatek, Carole Sebert, Charlotte Schlosser, Carole Warner, Laura Wagner; Mrs. Wayne Sebert, club mother.

The Y-Teens are sophomore, junior, and senior girls who are interested in promoting a Christian way of life and forming lasting friendship. The group is affiliated with the national Young Women's Christian Association.

The main project this year was a series of vocational talks presented by representatives of the various women's professions. Included were nursing, aviation, home economics, business and education. Y-Teens, who are also a service group, donated their time to raising money for the P.T.A. and the March of Dimes.

The year was climaxed by their annual all-school spring dance.

The Future Farmers of America is a national organization composed of boys enrolled in vocational agriculture or who have completed two years of vocational agriculture in high school.

The Waterloo chapter is composed of 20 members, four of whom hold the state farmer degree, six are green hands, and ten chapter farmers.

Our major activities of the year were farming thirteen acres, pest contest, seed sales, and a fathers and sons banquet.

The chapter took a three day trip to Detroit and Canada and spent one day at the International Livestock Show at Chicago. This trip was partially sponsored by the Farm Bureau Coop.

Marching Band

The concert and marching band has been very active this year. Starting with the Memorial Day parade, the band has participated in the Peony Festival at Van Wert, Ohio; the Mermaid Festival at North Webster; the Auburn County Fair; the marching Contest at Fort Wayne; and the Waterloo Halloween Parade. The band also gave four "concerts in the park" during the summer. The musicians played for all home basketball games and gave a marching show during many of the half-time periods, as well as providing much of the music for the Christmas season.

Many of the bandsmen entered the solo contest at Fort Wayne. Janet Bowers, Georgia Charleston, Tim Colbart, Dave Coleman, Sharon Crooks, Glenda Fitch, Tom Gettys, Patty Miller, Keith Miser, Betty Nessel, Esther Reinhart, Barbara Sweet, Barbara Souder, Barbara Skelly, and Beverly Sibert all participated this year.

The band is now looking forward to the spring concert season during which they will give many musical performances.

The Girls Quartette has been busy again this year entertaining at banquets, parties, and programs. Three of the members will graduate this year; this creates a real problem of replacement. Besides singing alone, they have been frequently singing with the accompaniment of a small piece band. This has met with much favor. They are again under the direction of Mrs. Voss, who originated the very popular group several years ago. She will hold tryouts this spring to fill the vacancies so the new quartette can practice throughout the summer vacation.

The Boys Quartet is a new group organized this year under the direction of Mr. Workman. They rehearse one hour a week. The quartet has been working on such songs as "Farewell" from Walt Disney's DAVY CROCKETT and a new arrangement of an old song "It Had To Be You." The boys expect their first public performance to be sometime during the spring.

The Waterloo baseball team had a fair season. We won three games while losing five against tough competition. The record could have been better with another good pitcher. Next year's team ought to do better because the only players by graduation are Owen Drerup and Bill Dickerhoff.

The Corner Conference tourney was held at home. We played Fremont in our first tourney games. It was close most of the way. They were leading 5 to 4 when we came to bat the last time. With runners on second and third base and two outs we hit a double and won 6 to 5 in a well played game.

In our next tournament test we played the favorites from Avilla. We won 11 to 13 in a well played game. This gave us a change to play in the championship game against Hamilton. We had led all the way until the last inning when they tied the score. In the extra inning they scored five more times to win 16 to 11 in a very hard played game.

Basketball

The 1955-56 basketball season started with our team going to Angola. There our boys met a defeat of 64 to 46. We then went on to New Haven where we played our second game of the season with the strong Harlan team. It also became our second defeat by 64 to 45.

The first home game proved to be the first victory. It was over the Riverdale Comets by the score of 39 to 30. Next, we played Butler and lost to them, 60 to 47. Our next game was undecided until the gun went off ending the game by a score of 63 to 62 in favor of Avilla.

A strong Hamilton team came and went home winners of a thrilling game. It was another close game by 54 to 52. Our Wildcats then traveled on to Garrett, a stronger team of the county who beat us by 66 to 40.

Ligonier visited and went home wishing that they never had come. The final score was 76 to 67. Then Ashley tried their best to win a victory over us but failed as the gun ended the game at 70 to 47. It was their game in our gym.

The county tourney was next on the list, and we drew Butler. We were defeated and Ashley beat Riverdale; we beat Riverdale in the consolation game. Butler beat Ashley for the Championship.

The Pleasant Lake Spartans came to play our Wildcats; this proved to be our fifth victory of the season. The final score was 66 to 49. We were then met by the high-flying Eagles from Fremont, but they went home with clipped wings. It was a result of a 72 to 59 beating by the Wildcats.

The county champs from Wolcottville came to town. The win gave the Wildcats a .500 record. It was a thrilling game, the final score being 67 to 61. We then journeyed to Hometown only to lose an exciting game. The final score was 78 to 72. Another strong team we were to play was Albion. It was close up to the last, and Albion won by a score of 60 to 56.

Churubusco's new gym was opened for the first time, and we were the first team to play in it. It was a thrilling game all the way with the Wildcats coming home with a victory by the score of 59 to 57. Our last game of the season was with Butler, and we were all looking forward to it. The Windmills played a thrilling game here. The score was 65 to 63 (overtime). Butler went home as winner.

This season was fair with some very good games. The team played some hard basketball games. They will lose by graduation Bob Robinson, Owen Drenrup, Gordon Bard, and Bill Dickerhoff. Three varsity cheerleaders, Carole Sebert, Nancy Wallace, and Janet Bowers, also will be lost by graduation.

The season record was 8 wins and 11 defeats.

Last Will And Testament

Last Will And Testament

The class of nineteen hundred and fifty-six, being of sound mind and memory, does hereby declare this its last will and testament, revoking all former wills.

Article I

The members, individually, will and bequeath their abilities, characteristics, and private property as follows:

Gordon Bard wills his pin-up picture of Marilyn Monroe to Butch Bowers. Alan Bowers wills his ability to ditch cops to Mark Smith. Janet Bowers wills her height to Butler's basketball team. Dorothy Bricker wills her half of the locker to anyone who will clean it out. Klyta Jean Collins wills her ability to read to her sister Jerra Lee. Judy Daniels wills her ability to act surprised at a surprise party she already knows about to Judy Duncan. Pat Drerup wills her beat-up shorthand book to next year's shorthand class. Punk Drerup wills his ability to murder the English language to anyone who can get away with it and still pass English. Bill Dickerhoff wills his ability to stay home nights to Dick Korff. Byron Farrell wills his long hair to Dave Dunn. Glenda Fitch wills her tired but true cornet to her brother Richard in the hopes that he will find enjoyment and satisfaction through it. Alice Johnston wills her school days to anyone who will have them. Deanna McBride wills her optimistic outlook on life to Betty Potter. Peggy Myers wills her ability for not talking in band to Karen Voss. Bob Robinson wills his ability to get into the refrigerator at 2:00 a.m. and for setting fields on fire to Jerry Boman. Janet Roose wills her ability to keep her mind on her driving to Patty Piatek. Charlotte Schlosser wills her ability to keep things neat (especially desks) to Mr. Ford. Carole Sebert wills her ability to keep from getting lost to Herb Leins. Herma Stevens wills her ability to do bookkeeping to the juniors. Mike Sweet wills his ability to stay out of trouble in English class to Pete Badman. Larry Walberry wills his ability to stay on the road to Tom Souder. Nancy Wallace wills her ability to drive 55 miles per hour in a 55 mile speed zone to Jerry Boman. LaMarr Wells wills his ability to stay out of Auburn to Dwight Grate and Fuzz Lowman. Barbara Werner wills her ability to go with only one boy at a time to her sister Betty.

Article II

To the esteemed members of the faculty, we do hereby make the following bequests:

To Mr. Berg our ability to perform a bloodless operation upon a chicken; to Mr. Bourquin our ability to get along with Wolcottville's coach (because we surely can't); to Mr. Bowers an annual staff as efficient as we have been; to Mrs. Butler our ability to talk out loud in study hall; to Mr. Dove our slightly used bookkeeping workbooks; to Mrs. Ford the typewriters we helped to beat up; to Mr. Ford our cheerleading ability since he was our seventh cheerleader; to Mrs. Love our ability to type with more than two fingers; to Mr. Overmeyer our ability to skip school and get away with it; to Mrs. Voss our ability to jitterbug; and to Mr. Workman our ability to be late to chorus.

Article III

Realizing that we could not have spent such an enjoyable year without the services of Mrs. Bixler and Mrs. Dove, we do hereby will our ability to gripe about the food when there was really nothing to gripe about.

Article IV

Finally, we do hereby make the following bequest to Mrs. Tribbett--our ability to run around in the halls during classes.
